MEMBERSHIPS
Seeking Best Practice and Industry Knowledge

Part of Multichain Asset Managers Association (MAMA)
MAMA is a trade body, initiated by Melanport AG, which represents asset management companies, investors, technology providers, service providers and ecosystem players interested in working towards a new vision for asset management using blockchain and other supporting decentralized technologies.

Member of the Enterprise Ethereum Alliance (EEA)
The EEA connects Fortune 500 enterprises, startups, academics, and technology vendors with Ethereum subject matter experts. The EEA is helping to evolve Ethereum into an enterprise-grade technology, providing research and development in a range of areas.

Auctus High-Level Project Overview, February 2018
Auctus was broadly featured in crypto and retirement media

The content of this document has been approved and issued by Auctus International Ltd (Auctus) for information purposes only. The information and opinions contained in this document are for background information and discussion purposes only and do not purport to be full or complete. No information in this document may be construed as providing financial, investment or other professional advice. This information contained herein is for the sole use of its intended recipient and should not be copied or otherwise distributed or published without Auctus’ express consent. No reliance will be placed for any purpose on the information contained in this document or their accuracy or completeness. Information included in this document is intended for those investors who meet the Financial Conduct Authority definition of Professional Client or Eligible Counterparty.

CONFIDENTIALITY
This presentation cannot be published, copied, reproduced or distributed in any manner whatsoever. The recipient may use this presentation for the sole purpose of obtaining a general understanding of the business, operations and financial performance of Auctus in order to make a decision as to whether the recipient should proceed with a further investigation or analysis. Auctus reserves the right to request the return of this presentation at any time, without the retention of any copies by the holder of this document.

INVESTMENT RISKS
The value of all investments and the income derived therefrom can fluctuate due to market movements and you may not get back the amount originally invested. In the case of overseas investments, values may vary as a result of changes in currency exchange rates. This may be due, in part, to exchange rate fluctuations in investments that have an exposure to currencies other than the base currency of the portfolio. Past performance is no guide to or guarantee of future performance.

LIMITATION OF LIABILITY AND INDEMNITY
Auctus expressly disclaims liability for errors or omissions in the information and data contained in this document. No representation or warranty of any kind, implied, expressed or statutory, is given in conjunction with the information and data. Auctus accepts no liability for any loss or damage arising out of the use or misuse of or reliance on the information provided including, without limitation, any loss of profits or any other damage, direct or consequential.
You agree to indemnify and hold harmless Auctus and its affiliates, and the directors and employees of Auctus and its affiliates from and against any and all liabilities, claims, damages, losses or expenses, including legal fees and expenses arising out of your access to or use of the information in this presentation, save to the extent that such losses may not be excluded pursuant to applicable law or regulation. Any opinions contained in this presentation may be changed after issue at any time without notice.

COPYRIGHT AND OTHER RIGHTS
The copyright, trademarks and all similar rights of this presentation and the contents, including all information, graphics, code, text and design, are owned by Auctus.
